Commodore

A hoy everyone! As I write this, we are nearing the end of February and I cannot believe that the first two months of the year have gone by so quickly! The first four months of the year are going to be a whirlwind with several big events planned. These include: Kids' Day, Valentine's Day Dinner and Dance, St. Patrick's Day Dinner and Dance, Clean-up Day, and Opening Day. I am pleased to report that our membership has supported all of our activities so far by volunteering to serve as bar hosts or food host/clean-up crews.

I would like to acknowledge **Brittany Tomasko's** hard work and vision in bringing the First Kids' Day to the Club in August of last year, and, more recently, the second Kids' Day in February of this year. Brittany's organization and the work of the twenty-one volunteers made this event a huge success. Over fifty people participated in this event which included breakfast with Mickey Mouse pancakes, craft stations, and a beach clean-up. Nicely done!

I also want to thank our Social Chairs, **Terry Whitney**, and **Brenda Noakes** for their work in bringing back the activities that were stunted during the pandemic. Our first large event, the Valentine's Dinner and Dance, sold out! **Mike Taylor**, with the assistance of **Val** and **Sandy Gillespie** provided a great meal, and **Kevin Daly** and **Judy Bellis** ensured that we were properly hydrated (or inebriated?). Please try to come to our first brunch of the year on March 5 and

our St. Patrick's Day Dinner and Dance on March 18. You can sign up for each of the events via the SLYC website (<https://san-luis-yacht-club.square.site>).

Clean-up Day will be on April 1 (no joke!). Rear Commodore, **Joe Montgomery**, is organizing the event. Please try to stop by and lend a hand. This annual cleaning prepares the club for Opening Day, on April 15. If you have never been to Opening Day, or haven't been in a while, I strongly encourage you to attend this year's event. We have much to celebrate this year, including having our first full Opening Day program since 2019!

On the Water

I am working with Staff Commodore **Barry Stewart** and **Eoin Duffy** to iron out the details for our first ASA 103 class offered to our membership on Second Wind. Please stay tuned for details on dates and pricing. This will initially be offered to SLYC members only. Cruising Captain **Mike Ginn** has a robust list of activities planned this year. There are too many events to list here, but some highlighted events are the Sailing Convention for Women, two boat shows, Channel Islands Cruise, and a trip to the Bahamas! For details, please visit the Cruising Page on the SLYC website (<https://www.slyc.org/Cruising/cruising.html>).

If you have any questions or concerns about the club and the course that we are on, please be sure to drop me a line. I will do my best to be transparent, informative, and open to opinions as we continue to chart through new waters.

Nautically,
— Bret ⚓

A hoy!
Usually we think of “Captain of the Ship” as the person in complete charge of something when that something doesn’t go well, but this month I would like you to think of our captain of the ship, Commodore **Bret Clark**, in a positive light as the person in charge of your club as things are going very well.

The first potluck of the year and the Valentine’s Day Dinner Dance are two examples of how well things are going as Bret works to get the Club back to normal after the pandemic.

As Vice Commodore I continue to focus on insuring all the openings in Time To Sign Up (TTSU) are filled, planning for Opening Day, convening the Finance Committee, and helping the Commodore.

The TTSU page on the Club’s website is invaluable for making sure we have every event staffed. At the time I wrote this I see we have openings for Food host/Clean-up on for Social on Friday 3/17 and Kitchen help/Clean-up for the potluck on Friday 3/31. Please look at TTSU for any openings you can help fill.

Opening Day this year is going to be on Saturday, April 15 (see the invitation on page 6).

There are a lot of details still to be finalized to make this important event a success, but one item that is taken care of is that Manny English will be providing the music this year. Be prepared to dance!

As I write this the Finance Committee will have met in February, but too late to report on in the March Foghorn. I will provide an update in the April Foghorn. All but a few members receive their Foghorn electronically, at no cost to the Club. While we recently raised the annual dues for membership, costs for everything continue to go up. We have been looking at our expenses and we have identified printing and mailing the Foghorn as one place where we have an opportunity for savings. Printing and mailing the Foghorn has been costing the Club over \$1,000 a year. Your Board has decided that beginning with the July issue of the Foghorn the Club will no longer be mailing free print copies to non-members or current members unless they are honorary members. To receive print copies every month you can subscribe to the Foghorn. Beginning July 2023, the subscription rate for a monthly Foghorn will be \$48/year. If you were receiving the Foghorn in the mail watch for the letter in the mail explaining the change.

2023 is going very well so far and I look forward to seeing you at the Club.

See you at the club or on the water.

—Bob

Rear Commodore

A hoy!
Brrrr. February was one of the coldest months in recent history. Another factor was, my natural gas bill soared to new heights, a whopping 900% higher than normal. I have turned my heater off to my house and have withdrawn to making warm fires by the fireplace, and splitting wood during the day. More wool blankets came into play and I found myself quite comfortable. At

the clubhouse, the exterior light had shorted out and the EMT pipe was rusted out. I made a call to my good friend **Gary Cox**, and voila, we now have a new LED light, new EMT pipe, and brighter light by the BBQ. Thanks Gary, for getting that done. Also, a new interior light fixture at the south-western wall. A committee was formed to make over all improvements to the galley and bar. Still in its infancy, I look forward to these improvements cabinets, counter tops new floor. The group of volunteers are named alphabetically **Gary Cox, Marty Fuller, Carter McGowen, Joe Montgomery, Georgina Pease, Dan Pease, and Gary Ross**. I feel this is an outstanding group and looking forward to working with everyone. Lastly, we will be looking for volunteers to sign up for clean up day, April 1st. If you have not fulfilled your TTSU, now’s your chance to participate. It will not take long, plus you get a chance to meet new friends. That’s all for now.

Smooth Sailing,

—Joe

Harbor in Redwood City, CA, with an extensive in-water dockage for a large assortment of sail and power boats, plus on-land space for information booths and exhibitors. The San Francisco Giants will be hosting a 3-game series against the Milwaukee Brewers May 5-7, for baseball fans who may want to catch a game! Please plan to join us for the weekend and if we get enough interest a day sail on the Bay may also be included.

We have many more adventures also being planned for our members. Including a December adventure to the Bahamas! By the time our March Foghorn is published we will have conducted our Wet Wednesday presentation on the club's 2023 cruising events. If you were not able to attend please check out the cruising events webpage at <https://www.slyc.org/Cruising/cruising.html> for the information covered at the Wet Wednesday. Also, please keep an eye on the SLYC calendar for activities that you may be interested in attending and let me know if you have any questions.

Look forward to seeing you at the yacht club and out on the water!

*Happy sailing,

Personal Ads

“If you like Pina colodas...and getting caught in the rain...” remember that? Back before dating apps and swiping right or left, personal adds in the newspaper was a way of reaching out. Well, this column is a personal ad asking you to join our club’s new Community Relations Committee! In addition to being your power captain, I’ve agreed to lead this new committee. It is part of our club’s lease that we continue to support and make the club available to related

“non-profit entities...in the promotion of marine education, safety, recreation and recognition...” and the premises shall be used for purposes “related to the promotion and encouragement of recreational boating, water safety and activities related to the education, understanding and appreciation of the Port San Luis Harbor Area.” I need your help to support the club’s mission of promoting Avila and Port San Luis civic activities by reconnecting with and participating in Avila community events and groups. We have a fun committee started already but are looking for a few more active members to help promote our club and its involvement locally. We want to be more visibly involved and participating again in Avila community events now that Covid restrictions have largely eased.

In addition to the Community Relations Committee, I’m also interested in connecting with those of you interested in using Chase Boat and helping support our power boat activities.

Cheers, and do reach out to me to help on one of these two items!

Kid's Day

Kids Day at the Club—Winter Edition

On February 5th, the club held its second “Kids Day at the Club” event. The theme was winter clashed with Valentine’s Day. A beautiful breakfast was served at the beginning of the event thanks to many volunteers. **John** and **Kay Semon** took the lead on coordinating breakfast. They were assisted by **AJ Dudley**, **Kyle Soucy**, **Margie Hurd**, **Keith Pellemeier**, and **Wayne Hamari** who helped as breakfast prep cooks and chefs. A special thanks to **Kyle Martin** and **Freeman Tidaback** for dishes and clean up.

Our young members, parents and kids are the future of this club! The “Kids Day” concept was created to bring together grandparents, parents, kids and young members of

the club to allow them to meet and socialize. It was created to build connections amongst these younger members and to encourage them to bring their kids down to our Friday Night socials and bring a more youthful spirit to the club.

This new generation are the future of this club! They are embracing sailing and paddle sports as a passion. They are introducing their kids to a love for watersports and creating positive memories at the yacht club as a fun place to hang out.

After breakfast, we began our activities! The kids rotated between a craft and beach activity. The beach activity was a Beach Clean Up, led by members **Sally Krenn** and **Cathy Kunkle**. The kids picked up gallons of trash off the beach! Thank you everyone who helped clean up our beach in Avila! The second rotation was a craft rotation which the kids loved! Thank you to all of our volunteers who helped to coordinate and run the craft activities! Thank you to **Melissa Watkins**, **Sandy Gillespie**, **Anette Hackman**, **Yvonne Jordan**, **Marc** and **Betty Gillespie**, and **Margie Hurd**. Thank you also to **Mary Matakovich** and **Yvonne Jordan** who helped check in all of our participants. We had over 50 people at the event.

Respectfully,

—Brittany Tomasko 🇺🇸

SLYC KIDS DAY WINTER EDITION 2023

Sign-in Table

Friday, January 27th Potluck Success!

From Wikipedia, “The word pot-luck appears in the 16th century English work of Thomas Nashe, and used to mean “food provided for an unexpected or uninvited guest, the luck of the pot”. The modern execution of a “communal meal, where guests bring their own food”, most likely originated in the 1930s during the Great Depression.”

We thoroughly enjoyed the luck of the pot on Friday, January 27, our first potluck of the year with between 70-80 people enjoying themselves on BBQ with good food and company.

Our take on the event, check the calendar for the next one, is that there will be some kind of protein prepared on the grill and members contribute dishes to complete the potluck supper. Add the open bar and music and you have a potluck.

For our first potluck of the year **Marty Fuller** and **Barry Stewart**, with the help of **Steve Dahl**, **Greg Jackson** and **Jon McKellar**, cooked hundreds of pieces of chicken on the grill and members contributed dozens of dishes. There wasn't a piece of chicken left and there was no shortage of variety with the food available.

Tom McNeill was Officer of the Day with bar hosts **Judy Bellis** and **Janine McNeill** and kitchen clean-up by **Margie Hurd** and **Mark** and **Christine Machala**.

Look forward to many more fun potlucks this year as we work to get back to normal after the pandemic.

Valentines Dinner/Dance

I think I'm entitled to say Valentine's Day is not special. It's my birthday but the day is one of the most commercialized holidays in the country and I cannot even think about trying to go out to dinner. Yet this year's SLYC Valentine's Day Dinner Dance on February 18 was special.

Mike Taylor worked all afternoon preparing a dinner of chicken fettuccine alfredo, salad, and a cake with fruit and whipped cream for dessert. **Sandy** and **Val Gillespie** helped in the preparation.

Terry Whitney and **Brenda Noakes** set the mood in the Clubhouse with decorations and helped serve the multi-course dinner.

Kevin Daily was the only one signed up for bar host, but **Judy** and **Will Bellis** stepped up at the last minute and helped. Their enthusiasm is contagious—thank you.

I was the Officer of the Day, maybe because Valentine's Day is just another day to me.

Music is important for a good dinner dance, and we did well to have Manny English.

I'm unclear who first suggested Manny but as your Vice Commodore I did some serious R&D to check out

Manny in advance at Finn's at the end of Grand and at Rancho Nipomo. I was confident after dancing to his infectious music that he was it.

Manny's music brought the dancers up from the safety of their tables and they let it all out. Maybe a little too much out; with the Commodore and Vice Commodore dancing with abandon for one song.

Members eventually loosened up their purse strings too and showed Manny their appreciation after a demonstration how to tip by the two commodores. Brenda helped by circulating the hat.

I think the final numbers were 35 diners/dancers and the event more than broke even financially.

Last but not least the clean-up was led by **Phil Whitney** and what a mess it was to clean up. I'm sure I missed others that helped make the event a success but it was a big success—the first formal dinner since the pandemic.

Be sure to be one of the limited number of people to celebrate St. Patrick's Day on Saturday, March 18 with corned beef and cabbage by **Barry Stewart** and music by Manny English.

Howie O'Daniels Corinthian Memorial Trophy

Opening Day 2023 is on April 15, 2023 and this year your Board intends to give the Howie O'Daniels Corinthian Memorial Trophy. This award is given to the SLYC Member logging the most nautical miles in a year (March 1, 2022 to February 28, 2023). Corinthian means that the skipper must own the vessel.

Please submit copies of your log books to be considered for this award by March 15, 2023.
